

# GRIZZLY IS HARD TO DEFINE...

GRIZZLY is much more than just a dependable range. *It's a variety of helpful features that keep your cooking time efficient, profitable and enjoyable.*

## It's the TOP PERFORMANCE:

For greater cooking flexibility, a variety of cooktops include:

- Robust 1-Piece Cast Iron Open Tops
- Polished Steel Fry Tops
- Solid Even Heat Cast Iron Hot Tops
- Versatile 23", 34" and 36" Raised Fry Top/Broiler Combinations
- Gleaming Stainless Steel Work Surfaces

G260-4-2FT-SB34

## It's the INSIDE ADVANTAGE:

Choice of Ovens:

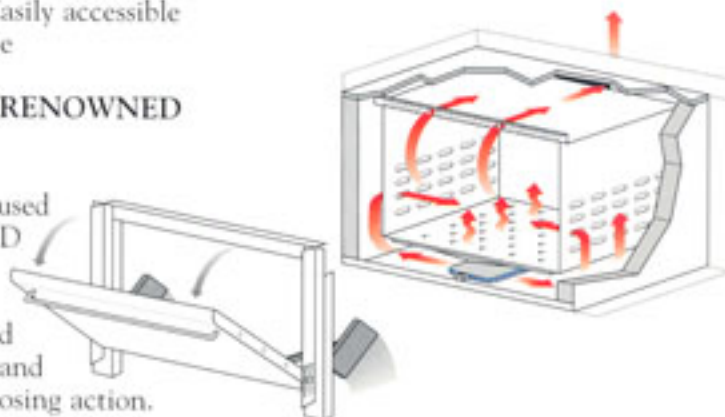

- Conventional: 16 1/4" or 26 5/8" wide
- Convection: 26 5/8" wide
- Durable, Easy to Clean Interior. Luminous Stainless Steel sides and back with Porcelain oven bottom and door liner
- Powerful Cast Iron Burner for long life and even heat
- Dimpled Oven Bottom. Allows more room/cook on the oven bottom

## It's the CONFIDENCE-n-CONTROL:

- Throttling type FDO Oven Thermostat. 250°F (121°C) to 500°F (260°C)
- Located in the "cool zone" to give years of accurate temperature control. Easily accessible for maintenance

## It's the WORLD RENOWNED OVEN DOOR:

- The same door used on our LEGEND Heavy Duty Ranges.
- Counterbalanced for a tight seal and smooth solid closing action. (G60 models spring counterbalanced.)

## It's the PRODUCTION POWER: Never Underestimate It!

- 20,000 BTU Cast Iron Top Burners for instant high production heat.
- Conventional Ovens: 35,000 BTU Cast Iron Burners
- Convection Ovens: 40,000 BTU Cast Iron Burners

## It's the SMOOTH MOVES:

- 1-Piece Cast Iron Open Tops. Pots and pans slide smooooothly with NO tipping.

## It's the CONSISTENTLY RELIABLE OVEN:

- Front Vented...designed like no other. Eliminates cold areas at the oven front for even heat distribution.

## It's the CONSTRUCTION:

- Fully welded angle iron frame. Superior durability that extends range life.

## It's PROTECTING what can't be replaced:

- All painted surfaces have electrolytic zinc undercoating for corrosion protection and longer life.

## It's the FINISH:

- Standard: Durable, high quality easy cleaning BLACK acrylic urethane with single Stainless Steel High Shelf, guard rail, valve and oven burner panels.

## It's the SERVICE:

- Since 1857 impeccable service with a "Touch of Pride"

## It's the SMART INVESTMENT:

Styling – "See it!"

Performance – "Cook it!"

Ownership – "Experience it!"
